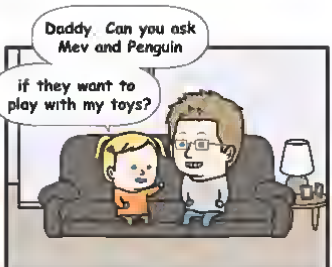
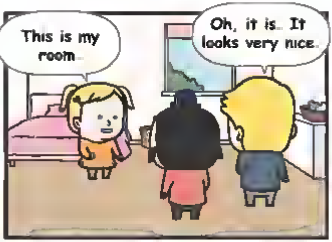
## Play House

Last week, we went to Doc and Sharon's because they had moved house recently.



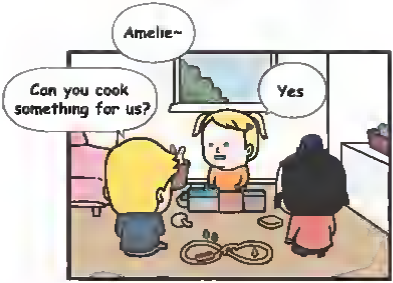
Their 3 yeor old doughter,
Amelie who was obsessed with Frozen
when we saw her last time.

She seems to be shy sometimes but she also liked to play with us.

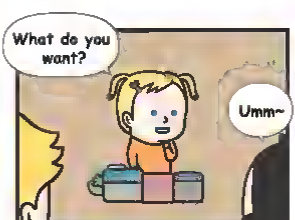


We were a little bit shy to begin with

But the more we saw her,
the more we got used to ploying
with her



Anyway, while
Doc and Sharon were preparing dinner,
we played with her toys.



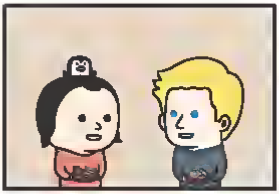
Then, Amelie was about to cook
something for us.

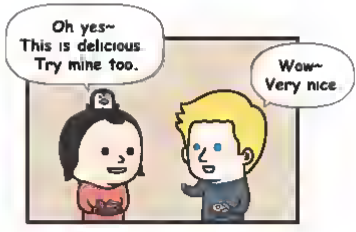
Yeah!
I'd like to have
a fruit salad
I want
a sausage and
an egg please

Do you want
some cheese with
your sausage?
Oh, yes
please

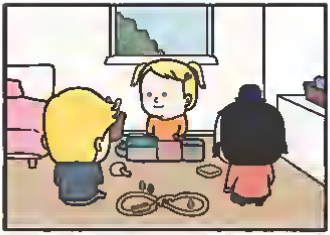
It was so cute to look at her moving her small hands to make toy food for us.

The food was ready.

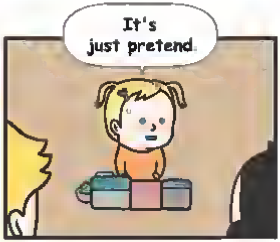




We reacted very strong for her



Then she said
with a serious face.

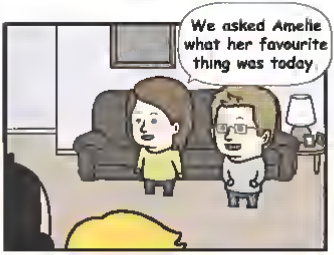


Amelie... Amelie...

+

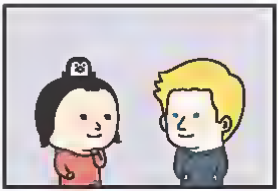
Are they all sleeping?

Yeah.



We asked Amelie what her favourite thing was today.

She said that was when you guys were playing with her in her room.



Amelie... Amelie...
